

# British Airways

Flight Centre has been recognised by British Airways as a specialist partner for many years, which means we know everything there is to know about the national flag carrier. We work closely together to ensure Flight Centre always has the best available fares and the most up to date knowledge and expertise on British Airways' products and services.

Flight Centre UK sends around 220,000 passengers on a British Airways flight every year. British Airways is the UK's largest international scheduled airline, flying to over 300 worldwide destinations at convenient times, carrying around 36 million passengers a year to the best located airports. Some of Flight Centre's most popular routes with British Airways include New York, Los Angeles, San Francisco, Las Vegas, Miami and Orlando in the United States; Barbados, Antigua and St Lucia in the Caribbean; Rio de Janeiro, Sao Paulo and Buenos Aires in South America; Johannesburg and Cape Town in South Africa; Dubai in the Middle East; Bangkok, Hong Kong and Singapore in Asia and Sydney in Australia.

British Airways is a brand synonymous with high quality, excellent service, and safety. The airline offers 4 cabins, including World Traveller Plus, featuring larger seats and increased leg room. British Airways has also fully introduced their new and improved Club World cabin which brings new levels of luxury and comfort never seen before, including a brand new seat that not only extends to 6 foot 6 inch but is 25% wider.\*

British Airways operates from London Heathrow and London Gatwick airports as well as a Business Class only service from London City airport to New York. At London Heathrow, the majority of services operate from Terminal 5 which was designed with the traveller in mind to offer a seamless journey through the airport, whether you are transferring flights or starting your trip. With stylish shops and restaurants, and luxurious Galleries lounges, Terminal 5 will change the way you fly forever.

British Airways offers over 60 dedicated lounges worldwide and over 90 additional lounges in conjunction with their partners. Facilities include broadband and PC's in most lounges as well as dine before you fly options.

## Flight Centre Says

### Why we recommend British Airways

The national flag carrier flies directly to more longhaul destinations from the UK than any other airline – choose from over 300 worldwide destinations, most with non-stop services avoiding the need to change aircraft enroute. British Airways has a consistent reputation for the quality of both its service and its onboard product.

Enjoy the Terminal 5 experience – the majority of British Airways international services now depart from the dedicated London Heathrow Terminal 5 with its unique design to aid passenger flow through the formalities to the extensive pre-flight amenities, shops and dining options.

## First

British Airways First offers exceptional comfort and refined surroundings – relax in your suite and let your dedicated crew attend to your every request.

British Airways is in the process of gradually rolling out new First across their fleet and is aiming to complete the embodiment by the end of 2011. So over the coming months you will be able to enjoy the finest in contemporary British sophistication, understated elegance and exceptional quality of service when you travel in the new First.

- New First seats are 60% wider at the shoulder than their predecessors and convert to a fully flat bed with a quilted mattress and Egyptian cotton duvet and pillow
- A la carte fine dining onboard including Loch Fyne seafood and First signature afternoon tea inspired by The Dorchester Hotel
- Access to the exclusive Concorde Room at London Heathrow Terminal 5
- Waiter served in-lounge dining to maximise sleep time on selected overnight flights from London Heathrow and the USA
