

Korean Air

Multi award winning Korean Air is one of the world's leading airlines, offering superior levels of in-flight service, comfort and convenience. The carrier is highly acclaimed for the quality of its onboard catering. Modern, stylish and always innovative, Korean Air has been setting new standards for four decades.

Carrying more than 20 million passengers annually to 114 cities in 39 countries, Korean Air is proud to have one of the world's youngest fleets and an industry leading on-time performance. It operates more than 400 daily flights with 132 aircraft including Boeing 777s, 747s and Airbus A330s. In May 2011 it will receive the first of 10 Airbus A380s to provide the best flying experience on routes to Europe and the Americas.

Korean Air offers a daily service from London Heathrow to its hub, Seoul Incheon, from where it serves six continents and offers connections to a further 12 cities in Korea, 21 in China, 15 in Japan, plus major cities in Australia, New Zealand, Fiji, Hawaii, Vietnam, Thailand, Singapore, Malaysia, Cambodia, Indonesia, Taiwan and Mongolia.

First Class

First Class on Korean Air is the epitome of sophisticated travel – the recently introduced Kosmo Suites are a living room, office, bedroom and cinema in one. The seat converts into a very spacious 79 inch bed, with an electronic privacy cocoon and Gianfranco Ferre pyjamas for a sound sleep. The legendary dining experience features Korean and western cuisine served on Wedgwood® China and includes caviar.

- Luxurious fully flat-bed suite with 83 inch pitch
- Convenience and comfort with one touch seat adjustment
- 23 inch monitor with 16:9 wide-screen, superior quality display, USB and laptop power supply
- Finest Korean and western cuisine complemented by one of the most impressive wine lists in the sky

Business Class

The new Prestige Sleeper seats recline to form a fully lie-flat bed featuring plenty of room in which to work, relax and play. The seat is equipped with laptop power and cutting edge personal entertainment, with a choice of more than 60 movies, 40 short features, 300 CDs, 40 games and 15 audiobooks. Prestige dining is as delicious as it is healthy and features the finest champagne and wines.

- 180 degree lie-flat bed with 74 inch seat pitch and privacy divider
- 15.4 inch personal screen LCD monitor with 16:9 wide-screen, superior quality display, USB and laptop power supply
- Convenient and simple one touch seat control
- Delectable 6 course meals and fine Champagne and wines chosen by a celebrated sommelier

Economy Class

Korean Air is introducing the New Economy seat to its fleet, with a pitch of up to 34 inches, providing a more comfortable experience. Korean Air has won many accolades for its Economy Class catering, particularly for its signature dish Bibimbap – a healthy and nutritious mix of beef, rice and vegetables. Guests enjoy the same on-demand entertainment as featured in First and Business Class.

- Efficiently designed seats with sliding cushions to minimise space interference
- Generous 34 inch seat pitch
- 10.6 inch LCD monitor with 16:9 wide-screen in every new economy class seat
- Cutting edge individual audio visual on-demand system, USB, and laptop power supply at each row
