

Air Europa

Air Europa is Spain's second largest scheduled airline with over 24 years experience in delivering the highest quality standards in air travel.

Operating a double daily scheduled service from London to Madrid and offering excellent connections to a host of exciting destinations including Buenos Aires, Lima, Salvador da Bahia and Caracas in Latin America and Havana, Santo Domingo, Cancun and Punta Cana in the Caribbean as well as Miami and New York in the US.

With a fleet of over 40 aircraft and an average age of 3.5 years Air Europa is one of the most modern airlines in the world as well as being one of the most punctual with a rate of 96% on time departures.

Air Europa is a member of the prestigious SkyTeam® Alliance enabling passengers to benefit from over 856 destinations in over 169 countries.

Passengers who fly with Air Europa qualify for Flying Blue membership, a comprehensive rewards programme offered in partnership with KLM and Air France.
